Protect your child from respiratory illnesses such as RSV, flu, and COVID-19

Wash your hands often.

Use soap and water and wash for at least 20 seconds.

Cover your nose & sneezes.

Use a tissue or your upper sleeve, not your hand.

Stay home when you're sick.

Keep sick children home, as well.

Get your COVID-19 vaccine.

Contact your primary care provider, pharmacist, or find a flu clinic at MarylandVax.org.

Clean and disinfect frequently touched surfaces.

Such as door knobs and mobile devices.

Avoid touching your face with unwashed hands.
