# IVCC Ag to host Fall

Event to showcase research conducted at IVCC Research and Demonstration plots

SHAW LOCAL NEWS NETWORK  
contact@shawmedia.com

Illinois Valley Community College Agriculture in partnership with University of Illinois Extension will host its annual Fall Field Day from 9 a.m. to 1 p.m. Friday, Sept 6, at the IVCC Ag machine shed, located just south of campus at 815 N. Orlando Smith Road, Oglesby.

This year's event will showcase research being conducted at the IVCC Research and Demonstration plots and throughout the state by University of Illinois researchers. Attendees will walk away with valuable insights into industry trends and best practices. The field day will include presentations from industry and university experts on a variety of topics, including:

- Insect Pests – Nick Seiter, Extension entomologist
- Soil Health – Emily Hansen, Extension agriculture educator
- Industrial Hemp – Chance Riggins,

University of professor

• Corn and Rothzen, C agronomist

"We are excited and the community Day," said Emily Hansen, culture education opportunity research being out the state."

Willard M IVCC Ag instructors, also will research trials ag program's

"Attendees close-up look Extension content and demonstration "There is some Fall Field Day

This event is lic. Lunch will be online at go.illinois.edu by Sept. 2.

To request to participate, contact emily.hansen@illinois.edu. All requests are subject to sufficient time
