"The themes of this show of diversity, inclusion, and tolerance are powerful and reflected in the song 'Freak Flag,' which is sung by the fairy tale creatures," said Monika Sudakov, spokeswoman for the troupe. "They are all banished because they are different and they realize that they have to celebrate their differences and unite together to create a world where everyone is special and unique and we all value one another for that."

"I think it's a really important message right now and may be worth including as part of the reason why this show is so pertinent today."

"Shrek the Musical" will be presented at 1301 Second St., Henry. Show dates are as follows:

-Saturday, Nov. 15: dinner begins at 6 p.m., followed by the show
